SMALL CATECHISM

(What every Orthodox Christian should know)

About Making the Sign of the Cross

Part 1

1. We make the sign of the cross with our right hand. We place our thumb and the first two fingers together and the last two fingers we place in our palm. With our united thumb and first two fingers, we touch our forehead, our abdomen, right shoulder and then left shoulder. When making the Sign of the Cross, we finish by placing our arm at our side and bowing.
2. The united thumb and first two fingers symbolize our faith in the Holy Trinity – God the Father, God the Son, and God the Holy Spirit. The two other fingers symbolize our faith in the Incarnation of the Son of God, Jesus Christ and that He had two natures, Divine and human, and that He came from heaven to earth (the palm) for the sake of our salvation.
3. When we make the sign of the Cross, we touch our forehead, asking God to sanctify our mind and our thoughts; we touch our chest asking God to bless our inner senses; we touch our shoulders asking God to give us strength and to bless all of our actions.
4. We bless ourselves saying the following words: "In the Name of the Father and of the Son and of the Holy Spirit"
