### SMALL CATECHISM

(What every Orthodox Christian should know)

Instruction about Prayer
<i>What is necessary during prayer</i>
1. Constantly remind yourself that you are in the presence of the Almighty and are asking Him to forgive the multitude of your sins, for which you will have to answer, perhaps even today – for we do not know the last day of our life.
2. Concentrate on the purpose of prayer. Attempt to make all the Signs of the Cross, all prostrations and other liturgical actions with great reverence. This drives away negligence, slumber and being inattentive while praying.
3. Do not think about personal or worldly concerns, which can always be addressed after prayer.
4. Remove all earthly thoughts that distract one's concentration during prayer..
5. Always attempt to avoid feelings of pride or self-satisfaction..
6. If you desire to pray without a prayer book or reciting specific prayers, you should do so.
7. Ask the Lord to reveal to you the most meaningful way to pray to Him.

**ALL EMERGENCIES:** PLEASE MAKE SURE TO CALL FATHER JAMES for any and all emergencies – for hospital, nursing home, or home visitations. PLEASE call his Cell number 732-619-3259, if necessary, please leave a voice message, Father will return your call. THANK YOU.
