**St. Longinus** - According to Church Tradition, Longinus was the soldier who pierced the side of the Crucified Savior with a spear, and received healing from an eye affliction when blood and water poured forth from the wound. After the Crucifixion and Burial of the Savior, Longinus stood watch with his company at the Sepulchre of the Lord. These soldiers were present at the All-Radiant Resurrection of Christ. The Jews bribed them to lie and say that His disciples had stolen away the Body of Christ, but Longinus and two of his comrades refused to be seduced by the Jewish gold. They also refused to remain silent about the miracle of the Resurrection.
