**All Saints Camp Loving Waters Campaign** Please consider making a donation to the All Saints Camp Loving Waters Campaign. Last year 3 of the 5 wells at the camp were determined to no longer be viable due to biological pollutants. The camp committee decided the most best course of action for future use and growth was to drill a new well and to borrow against an endowment that was intended to build a new building on the camp grounds. We now need to pay the endowment back. During the upcoming season of giving, please consider making a donation to the Loving Waters Campaign by visiting <https://www.allsaintscamp.org/> and selecting the Donate button. The camp has been home to generations of our church members and is one of the best ministries the Church has today.
