**AN OUNCE OF PREVENTION:** Please be aware that there are many unscrupulous businesses who prey on good people to take their money. Many selling many services “to good to be true” or taking deposits and never performing the work. PLEASE do not participate in their activity, you most certainly will be taken advantage of. If you think something is questionable – call your local Building or Police Departments **BEFORE** giving any money and NEVER allow anyone into your home without knowing who they are!
